Summer jobs in children's camps

Camp America is an organisation that runs over 12,000 children's summer camps in the USA. All the camps are in the countryside and some are in areas of outstanding natural beauty. Different types of camps are available. While some are designed mainly for sports activities, others are suitable for children with different interests. Accommodation is provided at the majority of camps but some children attend during the day and return home in the evening.

Camp America offers a variety of summer jobs for young people. Some allow you to work directly with children teaching sport, dancing or arts and require relevant qualifications. There are other jobs working with children, however, that do not require special skills or qualifications. In these roles you help to run activities and take care of children after organised events have finished.

If you do not want to work with children, there are other jobs available such as office work, laundry work and food preparation. You do not have responsibility for any children in these roles, so you often have more free time in the evenings.

You can make paper or online applications for summer camp jobs. To complete a paper application you need to write to us requesting a form, which you then need to complete and return. We will send you a list of interviewers located in your area and you need to select one to arrange a convenient time for an interview. You can apply online by visiting our 'How to Apply Section' on our main website. Here you can fill out your application form and select an interviewer.

There are certain general requirements that all applicants must meet: you must be 18 years of age or older, speak fluent English, and be able to provide two references. It is also essential that you are available for work for a minimum of nine weeks, and be able to leave for the USA no later than June 28 and return no earlier than August 24.

If you are successful at interview, we will inform you immediately where you will be working in the USA. We will also help you with your visa application. This involves attending an interview at the US embassy in your home country. You will also have to pay the embassy fee for visa applications. The fee is currently \$100 but can increase without notice.
